

## PREMIUM PRO<sup>®</sup> Hosted Software

Premium Pro is now available over the Internet, which means you can focus on premium taxes and forget about software maintenance.

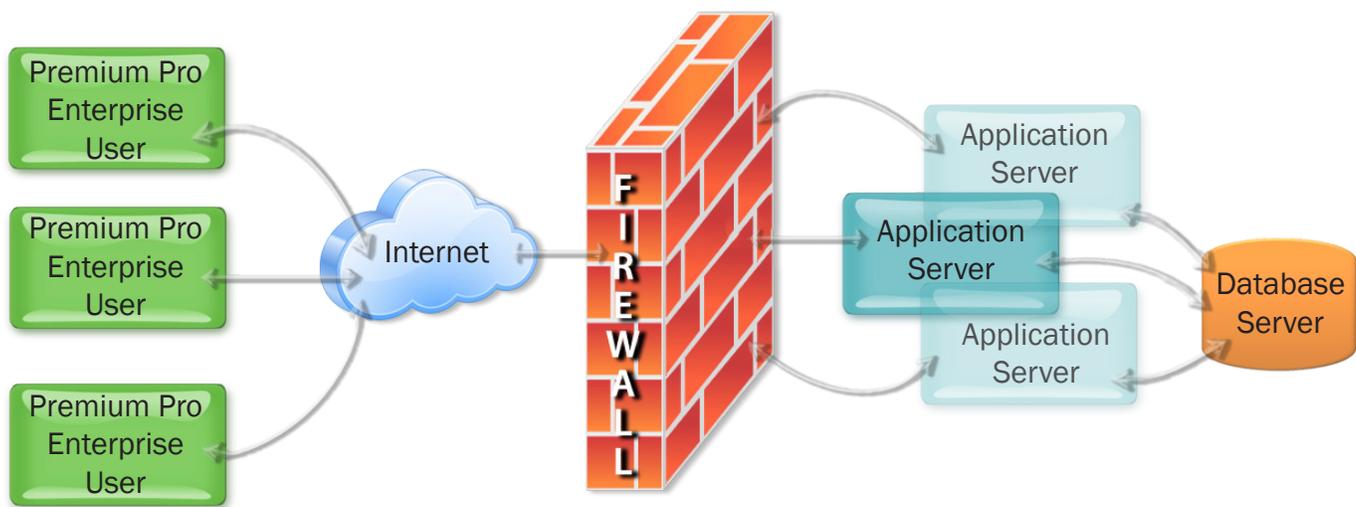

### How is the hosted solution different from software installed locally?

The software is centrally hosted by TriTech, so users access Premium Pro via a secure application delivery solution. New versions and enhancements are available effortlessly and seamlessly - no waiting for your IT department to

apply updates or new releases. Hosted software means we do the backup and updating for you so you can concentrate on your work. And no matter what type of computer you have, all you need is an internet connection and you're good to go.

## Benefits of Premium Pro - Hosted

- Access Premium Pro from anywhere there is an internet connection
- TriTech handles the software and hardware, as well as security, basic disaster recovery, and data storage
- Nightly updates provide access to the most current version of Premium Pro
- You retain control over all aspects of data collection, interfaces, return preparation, and filing
- Decreased dependency on your IT department
- No need to invest in expensive servers or database software
- TriTech is SSAE 18 compliant
- Data will always remain confidential and safe
- Secure access, limited to subscribed clients only
- Servers are housed in a state-of-the-art facility
- Virus protection with instant updates
- Hourly backups
