

PREMIUM PRO forms +

FormsPlus complements our existing Premium Tax software by providing insurance and premium tax related forms and required annual statement filings for all states in one easy-to-access location. The software is designed exclusively for Property & Casualty, Life, HMO, Risk Retention, and Title Insurance Companies.

KEY FEATURES

EXPANDING LIBRARY OF FORMS

More than 1,000 forms and growing. With the increasing demands on insurance companies, FormsPlus strives to maintain up to date forms and implement user requests.

EASY DATA IMPORT

Source in data from the premium tax module. FormsPlus will automatically rollover your company information and selected data for each form from year to year so you can start using it immediately.

SUPPORTS FILING OPTIONS

Non-Paper filings link to agency websites for electronic forms. Online Filing Assistant wizard, email form buttons, and export to spreadsheet functionality assist in submitting electronic and digital filings.
