

TRITECH STRATUS forms PLUS

FormsPlus complements our existing Premium Tax software by providing insurance and premium tax related forms and required annual statement filings for all states in one easy-to-access location. The software is designed exclusively for Property & Casualty, Life, HMO, Risk Retention, and Title Insurance Companies.

KEY FEATURES

EXPANDING LIBRARY OF FORMS

More than 1,000 forms and growing. With the increasing demands on insurance companies, FormsPlus strives to maintain up to date forms and implement user requests.

EASY DATA IMPORT

Source in data from the premium tax module. FormsPlus will automatically rollover your company information and selected data for each form from year to year so you can start using it immediately.

SUPPORTS FILING OPTIONS

Non-Paper filings link to agency websites for electronic forms. Online Filing Assistant wizard, email form buttons, and export to spreadsheet functionality assist in submitting electronic and digital filings.

VALUE

ALL-IN-ONE LIBRARY

Import Data Our FormsPlus library brings thousands of forms across hundreds of internet locations to your doorstep in one easy-to-use premium tax forms library making the complex simple.

CUSTOMIZED FORM EXPERIENCE

You decide what forms this software supports. If there is a form that your company is required to file, that is related to Premium Tax, and cannot be found in either the Premium Tax or current FormsPlus software you can simply forward that form to our office and we will add it to the software.

HASSLE-FREE NAVIGATION

Navigate thousands of forms to find the forms you need for your company. FormsPlus software makes the search simple and the form filing seamless.
