

PREMIUM PRO

hosting

Premium Pro Hosted Solutions is a hassle-free centralized and secure premium tax processing tool meeting your team's productivity objectives. No more maintenance. No more downloads. Many of our clients are already utilizing our secure hosting solution to streamline their tax processing season strategy.

KEY FEATURES

ANYTIME, ANYWHERE!

Access Premium Pro from anywhere securely via the Internet through our Hosting solution. Secured access is limited to subscribed clients only. The servers are housed in a state-of-the-art facility.

REMAIN IN CONTROL

You retain control over all aspects of data collection, interfaces, return preparation, and filing.

HASSLE-FREE TECHNOLOGY

TriTech handles the software and hardware, as well as security, basic disaster recovery, and data storage to streamline your technology strategies.
