

municipal PRO

Process municipal premium tax returns for over 4,000 towns and cities with ease. Stratus Municipal Pro is specifically designed to accurately and efficiently calculate and prepare each local tax return for U.S. applicable states for Property & Casualty, Life, Risk Retention, Title, and HMO companies.

KEY FEATURES

SOFTWARE INTEGRATION

Municipal Pro is integrated with Premium Pro and Allocator Pro, which saves you valuable time. The digitized signature feature eliminates the need to sign hundreds of returns.

FINGERTIP RESOURCES

Easy access to state statutes, return instructions, city tax rates, and payee information as well as schedules that summarize return and check request information for each municipality.

DIGITIZED SIGNATURE

Eliminate the need to sign thousands of municipal tax returns. You can use digitized signatures for any number of signers and use the same signature files year after year.
