

TRITECH INTERNSHIP PROGRAM

WHAT IS TRITECH?

TriTech is a U.S. based company headquartered in Allen, Texas. TriTech has consistently provided high quality Premium Tax software since 1995. We were the first Windows based premium tax software provider. Our management team is comprised of tax and technology professionals who take an active interest in the ever-changing tax laws of the insurance industry. We offer a unique combination of software, tax compliance services, and consulting related to state and local premium taxes.

STUDENT FAQ

WHAT WILL I BE DOING?

- You will be working and learning! Our internship program is designed to be mutually beneficial to both our company and participating students. Our goal is to give interns real world job experience, not just have them sit around completing administrative errands and making coffee. We encourage interns to engage in the daily operations of our workplace and learn from the veterans, while offering their fresh insights and ideas to help us improve as well.
